From the Rev. Commr in Mysore
No. C 5039/30-31 dt 23.7.31.
Recommends for adoption the scheme for the grant by V.P.s of small loans ranging from Rs 10 to 50 to the hand loom weavers in their jurisdiction so as to enable them to purchase improved weaving appliances.

It is proposed that such of the V.P.s as have weaving population within their jurisdiction may set apart from Rs 100 to Rs 300 according to their requirements for being advanced to the weavers on the advice of the Dt weaving demonstrator & the Chairman of the V.P. after suitable enquiry. The loan is to carry interest at 6½ % p.a. & will be repayable within a period 6 to 12 months as may be fixed. As the development of rural industries is one of the discretionary duties of V.P.s the R.C. recommends that a scheme of the kind described is desirable & may be approved.

5) Development of rural industries is one of the discretionary duties, which a Village Panchayat may undertake, if the funds at its disposal so permit and subject to such rules, if any, prescribed in this behalf (sec 21 of V.P. Regn). If the rules so framed do not prohibit the ~~spending~~ of money for encouragement of ~~weaving~~ ~~of proposed~~, then the V.P. may incur expenses for the development of weaving, which is certainly a rural industry. Since a V.P has under sec 4 cl (i) power to enter into Contracts and to do all things necessary for all or any of the purposes of this Regulation, and under sec 27 it has the power to do all acts necessary for & incidental to the carrying out of the functions entrusted to it, it follows that it can lend money as proposed by the Rev. Com^r.

24. Law

6) As regards the mode of recovery of the loans, I do not think sec 40 can be applied. "other dues" in that section must be read ejusdem generis with taxes, fees etc. The only mode therefore appears to be by means of a suit in the ordinary Courts of law-

REV. SECT. GEN. L. R. O. BRANCH

SIR,

Loans from Village Panchayet Funds for purchase of improved appliances to hand-loom Weavers.

I have the honour to forward herewith for orders of Government copy of letter No.C.1-C.2241/30-31 dated 28th April 193_ from the Deputy Commissioner, Kolar District and copy of letter No.D.5-603/30-31 dated 22nd June 1931 (with enclosure) from the Director of Industries and Commerce, in the matter of Village Panchayets setting apart some funds for grant of small loans to the hand-loom Weavers residing in their jurisdiction to purchase improved weaving appliances. It is proposed that such of the Village Panchayets having weaving population in their jurisdiction may set apart Rs.100/- to Rs.300/-, according to their means, and advance to the Weavers amounts ranging from Rs.10/- to Rs.50/-, on the advise of the Local District Weaving Demonstrator and the Chairman of the Village Panchayet on such enquiry as may be considered suitable and necessary. The loans thus advanced will bear interest at 6¼% per annum and will be repayable in instalments within a period of 6 months to one year as may be fixed by the Village Panchayet in each case. To safe-guard the interests of the Village Panchayet the amount advanced will be a first charge on the appliances purchased till the amount with interest is repaid.

2. I consider that such a scheme is desirable to advance the rural weaving industry in the State. According to Section 21 of the Village Panchayet Regulation, it is one of the duties, though discretionary, of the Village Panchayet to encourage and improve rural industries, and such a scheme will therefore be

not beyond the scope of the Village Panchayets.

4. I therefore request that early orders of Government may be kindly obtained in the matter.

I have the honour to be,

S i r

Your most obedient servant,

Revenue Commissioner.

Letter No.C.1-C.2241/30-31 dated 28th April 1931, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore.

Allotment for loans from Panchayet Funds for purchase of improved appliances to hand loom-weavers.

I have the honour to state that the District Weaving Demonstrator in his letter No.460 dated the 19th instant brings to notice that it will facilitate his work considerably, if the Village Panchayets are empowered to allot sums not exceeding rupees hundred for loans to such of the weavers as desire to go in for improved appliances, recoverable in easy instalments.

2. I agree with him and request you to obtain sanction of Government to enable such of the Panchayets as could afford to allot sums for loans to hand loom weavers. These loans may be in small sums of Rs.25/- each repayable in three or four instalments, every quarter, and that the full loan may be recovered within one year. The loans may also carry interest at 6¼%.

3. I request that the proposal may be considered favourably and orders of Government obtained in the matter.

Letter No.D.5-603/30-31 dated 22nd June 1931, from the Director of Industries and Commerce in Mysore, to the Revenue Commissioner in Mysore.

Introduction of improved weaving appliances among the Hand-loom Weavers in the State.

I have the honour to forward herewith for your information copy of the Circular letter of even number dated the 11th May 1931 addressed by me to the Deputy Commissioners of Districts suggesting that the Village Panchayet in villages containing large weaver population may be arranged to set apart Rs.100/- or Rs.300/- according to the means of the Panchayet, for the grant of small loans to the resident weavers on the instalment plan to enable them to buy improved appliances the amount of instalments collected being utilised for the grant of advances to other weavers in rotation, so that all the weavers of

the weaving centre may benefit by the arrangement. The Deputy Commissioner, Kolar District, informs me in his letter No.C.1-C.2241/30-31 dated the 12th May 1931 that he has addressed you in the matter of obtaining the sanction of Government to authorise the Village Panchayet in weaving centres to allot not exceeding Rs.100/- for giving loans to weavers on the above system. I wish to point out that the plan suggested in my circular letter is one of the best means of helping the weavers to improve the technical equipment in their possession so as to make it possible for them to increase the extent and also the variety of handloom fabrics

I therefore request you to kindly obtain the early orders of Government authorising the Village Panchayet in all the weaving centres in the State to allot sums ranging from Rs.100/- to Rs.300/- for the grant of loans as suggested above.

Office of the Director of Industries and Commerce in Mysore,

No. D5-603/30-31

From

C. Ranganatha Rao Saheb, Esq., B.A., B.L.,
Director of Industries and Commerce
in Mysore, Bangalore.

To

The Deputy Commissioner,
All Districts.

Sir,

Subject - Introduction of improved weaving appliances amongst the handloom weavers in the State.

I have the honor to state that the Weaving Demonstrators at work in the Districts report that the adoption of improved weaving appliances among our weaver population would be largely accelerated if some means can be found to enable them to get small loans on the instalment plan to purchase these appliances. It has been suggested that the co-operation of the Village Panchayats in villages, where a large weaver population is living, may be enlisted in this connection. The Panchayat may be asked to set apart a sum of Rs 100/- or Rs 300/-, according to the means of the Panchayat for [illegible] loans to any deserving weavers on the instalment plan to enable them to buy improved appliances, the utility of which has been demonstrated to them.

Arrangements will be made by me for the supply of these appliances in sufficient quantities through the Weaving Demonstrator attached to the District.

The Panchayats may be empowered to grant loans on the recommendation of the local District Weaving Demonstrator and the Chairman of the Panchayat on such inquiry as may be considered suitable. The loans may be made repayable in three to six months depending on

depending on the cost of weaving appliance and the time within which the weaver can earn the amount required to repay the loan. The amount of the loan may vary from Rs 10/- to Rs 80/- according to the price of the appliance. The Panchayat will collect the instalments as they fall due and advance loans to other weavers in rotation so that all the weavers of the -- Centre may benefit by this arrangement.

I request you therefore to kindly authorise the Village Panchayats in all the Weaving Centres of your District to set apart a sum of Rs 100/- or Rs 200/- according to their means - for this purpose. I have requested the Superintendents of Industries to give you any further information you may require on the subject.

A line in reply as to the action taken by you in the -- matter may kindly be sent early.

I have the honor to be,
Sir,
Your most obedient servant,
B. C. Ranganatha Rao Saheb,
Director.

(2)
Copy of the above is forwarded to the Textile Assistant, Govt. Weaving Factory, Bangalore, for information. He is requested to issue strict orders to the District Weaving Demonstrators not to sell the appliances on credit on any account. If they should do otherwise, it will be entirely on their personal responsibility.

Copy to the Superintendents of Industries, Bangalore, Mysore and Shimoga, with a request that they will call on the Deputy Commissioner of each district in their jurisdiction in company with the Weaving Demonstrators and give them all the information that may be required. It is hoped that they will take personal interest in the scheme which, if carefully worked, will serve as a great boon to the weaver population.

B Ranganatha Rao Saheb
Director.
